FOR IMMEDIATE RELEASE

Topaz Sailing Announces Topaz Ambassador Program

Annapolis, MD (March 8, 2010) – Topaz Sailing is pleased to announce the creation of the Topaz Ambassador Program. This program is aimed at individuals who are passionate about sailing and want to help grow the sport while simultaneously supplementing their income.

Topaz Sailing is actively recruiting “Ambassadors” in select geographic regions throughout the United States to help support and promote the Topaz Sailing System. The Topaz Sailing System is a radical new sailing dinghy offering the perfect combination of simplicity and thrills to a new generation of sailors. Now available to North America, it is one hull with an upgradeable rig and can be rigged in four different ways. To see a full description go to www.topazsailing.com.

Benefits of the program include product discounts, commission on referrals and participation in fun sailing events.

If you have a passion for sailing, are looking to have a whole lot of fun, and interested in earning some extra income please contact info@topazsailing.com. To be considered please include your contact details, your sailing experience, and how you could help grow the sport of sailing in your geographic location.

Topaz Sailing Systems – Guaranteed Fun!

###

Topaz Sailing Systems, LLC, located in Annapolis, MD is the exclusive distributor of Topper sailboats in the United States and is owned and operated by Peter Cook and Karen Morris. Both Peter and Karen are passionate sailors with over 35 years of combined experience in the sailing industry.
